Next steps

The hearing before the Court is scheduled for 9 December 2026 and a decision on the Draft Plan is expected by the end of December 2026.

If the Court determines that the statutory requirements have been met and adopts the Draft Plan, its provisions will be binding on the Company and all affected parties, including those that did not vote in favour of the Draft Plan.

This will enable the Company to implement its financial restructuring in accordance with the Draft Plan.

The transactions envisaged under the Draft Plan are expected to be completed during the first quarter of 2027.

The principal terms of the capital transactions to be implemented under the Draft Plan are described in Appendix 13 to the Draft Plan and in the document entitled 'Terms of the Capital Transactions', both available in the "Financial Restructuring" section of the Company's website (https://corporate.nacongaming.com/restructuration-financiere-2/).

These capital transactions will be the subject of prospectuses submitted for approval to the French financial markets authority (*Autorité des Marchés Financiers*).

The Company will continue to keep the market informed in due course of the next steps of its financial restructuring.
