# #NACONCONNECT

## A look back at the highlights of the 2022 edition

NACON is proud to have showcased today its most ambitious line-up of games and accessories ever. With 20 titles and accessories shown at the event this year, NACON's important role in the video game industry was further emphasized.

Hosted by TPK and Funka, gamers were treated to 1.5 hours of behind-the-scenes reports from NACON and some of its studios along with interviews with well-known ambassadors. Viewers of the show got to see gameplay footage of previously announced games for the first time, new game announcements and release dates. Five new titles will be added to NACON's growing catalogue, and the Daija Arcade Stick will be available by the end of the year.

Find the integral NACON Connect 2022 replay on [YouTube](#), [Twitter](#) and [Twitch](#).

RIG PRO Series 300, 500 and 800

# CROWN THE BLACK PRINCE WARS

## Crown Wars: The Black Prince

A medieval squad-based tactics strategy game  
announced

NACON and Artefacts Studio, developers of the excellent *The Dungeon of Naheulbeuk: The Amulet Of Chaos*, are pleased to announce their new squad-based tactics strategy game, ***Crown Wars: The Black Prince***, with a trailer showing occult conspiracies during the Hundred Years' War. Nicolas Dejeans, Lead Game Designer at Artefacts Studio, was at NACON Connect to provide more details about the project.

# PARADiZE PROJECT

## ParadiZe Project – A fresh take on the zombie survival genre

Eko Software was at the show to introduce its new game: **ParadiZe Project**. This hack-and-slash survival game has some innovative mechanics, which means the aim is not just to fight off hordes of zombies. You take control of zombies and use their unique zombie talents to perform a variety of tasks in your quest for survival.

Guillaume, producer at Eko Software, chatted with Funka at NACON Connect to share more details about the game.

**MILAN**

## A video game based on the famous Terminator franchise

NACON announced the return of an iconic franchise with the development of the first survival game set in the world of Terminator by NACON Studio Milan. The game takes place in a post-apocalyptic open world and features an original story that builds on the events of the official films. You play as a group of nuclear apocalypse survivors fighting to stay alive in a time period between *Judgment Day* and the creation of John Connor's resistance.

# SESSION. skate sim

## Session: Skate Sim release date confirmed as 22 September 2022

As the release of *Session: Skate Sim* approaches, Crea-ture Studios took advantage of NACON Connect to show the game's unique atmosphere, which reflects the skateboarding culture of the 1990s.

Day or night and with camera in hand, you are free to explore the best spots in iconic skateboarding locations. Designed to be as challenging as real-life skating, you will feel authentic sensations through the controller thanks to innovative gameplay designed by skaters for skaters.

The game is already available in Early Access, and a lot more content will be available when it officially releases on 22 September.

THE OFFICIAL GAME

### WRC Generations – A closer look at hybrid cars

Scheduled for October 13, 2022 on PlayStation®4, PlayStation®5, Xbox One, Xbox Series, and later on PC and Nintendo Switch, **WRC Generations** is once again talked about at NACON Connect 2022.

This year, the arrival of a new generation of hybrid cars brings new driving sensations with much greater engine torque, delivering up to 30% more power when accelerating. Drivers must also think about their strategy before the start of the stages to optimize the management of electrical power and the battery.

**WRC Generations** is the most successful title in the series to date and notably contains the most extensive list of cars and stages ever offered.

# TESTDRIVE UNLIMITED SOLAR CROWN

## Test Drive Unlimited Solar Crown – A shared passion that brings people together

The highly anticipated game *Test Drive Unlimited Solar Crown* was also presented through a concept trailer made from images of the game. More than just a racing game, this new chapter in the famous franchise offers a truly social experience. To illustrate this, the video introduced characters from the Sharp and Street clans, who express the special bonds between the clan members through their cars. Various iconic locations on Hong Kong Island were also shown, as well as five new cars: the McLaren 720S Coupe, Porsche 911 R, Dodge Viper SRT Coupe, Ford F-150 and Jaguar F-Type SVR Coupe.

Planned for release in 2023, *Test Drive Unlimited Solar Crown* gives players the chance to express their passion for cars.

AD INFINITUM

## Ad Infinitum – Is this real or a nightmare ?

In *Ad Infinitum*, you play as a young German soldier in the Great War. Trapped in a surreal nightmare, you sometimes find yourself in the horror of the trenches and chased by strange creatures. The intriguing story also takes you into the oppressive atmosphere of your family home where you need to face your own demons.

You must separate the truth from the lies and try to escape the terror of the First World War in this survival-horror game.

# THE LORD OF THE RINGS GOLLUM™

A story-driven action-adventure game set  
in Middle-earth

Gameplay is proudly featured in this new trailer from *The Lord of the Rings: Gollum™*, revealing the first images from the game. Gollum is perhaps the most maligned and misunderstood creature in all of Middle-earth. Cursed with dueling personalities and a constant compulsion to find his Precious, *The Lord of the Rings: Gollum™*, takes players on an exceptional journey, sharing a perspective unique to Gollum, alone. Whether creeping through tall grasses or swimming in rivers, Gollum must adapt and move with stealth if he is to evade enemies during his adventure. From the mountains of Mordor, to the Mines of Moria, and passing through Mirkwood Forest, players will explore a variety of diverse environments and experience challenging gameplay.

Beginning 1 September, explore this original story created by Daedalic Entertainment and officially licensed by Middle-earth Enterprises.

# STEELRISING

## Steelrising – Gameplay and Titans presented by Spiders

*Steelrising* follows the story of Aegis, Marie-Antoinette's automaton bodyguard, as she fights through Paris in an alternate history where machines are suppressing the French Revolution. NACON Connect was an opportunity to show new footage of the action-RPG's challenging gameplay and fights against the Titans – huge and tough bosses that seek to stop Aegis's progress through Paris. Spiders' combat-focused game is planned for release on 8 September on PC, PlayStation®5 and Xbox Series X|S. A beta will be available on 25 August 2022 to those who pre-order the game.

# ROBOCOP

## ROGUE CITY

### *RoboCop: Rogue City* – First gameplay images shown

Announced last year at NACON Connect 2021, *RoboCop: Rogue City* returned this year with a first look at its gameplay. Developed by Teyon studio, which also developed the renowned *Terminator: Resistance*, this new game is based on the original 1987 film.

You play as Alex Murphy, whose features will be familiar to fans of the cyborg because actor Peter Weller agreed to be the model for the game's protagonist. *RoboCop: Rogue City* will combine first-person shooter gameplay with exploration of Detroit and multiple-choice dialogue.

Kayane and Mister Crimson, both French professional gamers, met at Luffy's house for a few Versus Fighting matches. One was a fan of the ***Daija Arcade Stick*** and the other a fan of the ***Revolution X*** controller. They agreed to swap devices for a few matches. They then went on to discuss the features of the product that they particularly liked.

Already popular on PlayStation®4 with Versus Fighting players, the ***DAIJA Arcade Stick*** is returning end of 2022 with an enhanced and customizable version for Xbox Series and PlayStation®5. It continues to benefit from the expertise of French professional player Kayane, a top ambassador for the brand, who uses it exclusively for all her matches.

Available since October 2021, the ***Revolution X Pro Controller*** is the official controller for competitive players developed in partnership with Xbox. It features the latest technology and multiple customization options for the most demanding players. The camo version will be available end of 2022.
